Dear Customer

RE: WELCOME TO MORGAN FIRE PROTECTION

Welcome you to the Morgan Fire Protection family!

As you may know from the previous communication from Jim, we have recently acquired the customer accounts from S & H Fire Protection.

Just like S & H has done for many years, developing long term value adding partnerships with our customers is what we love! We're committed to providing you with excellent service and support and we look forward to continuing to serve you.

Our business is nearly 40 years old and over that time has proven itself as a market leading fire protection services provider of choice.

Morgan Fire Protection offers a range of solutions that perfectly complement the fire life safety services you've come to expect from S & H Fire Protection.

What happens next?

As your next visit approaches, we'll reach out to let you know the date your engineer will be arriving.

For your next visit, the service engineer will arrive in a Morgan Fire Protection branded vehicle and uniform and will carry a photo ID card with the company logo so you can be assured of their identity.

Any documentation you receive will also be branded as Morgan Fire.

In the meantime, please feel free to contact us at any time on 0800 294 6726 or email us via servicedesk@morganfire.co.uk
